Fish so Fresh it Slept in the Ocean Last Night!

Every Friday Abe delivers premium, regular, or Nova Lox, imported hand sliced Sable, Smoked Fish and BBQ Salmon. Catering by Max's artfully arranges this bounty of fish on our fabulous serving platters. We whip plain cream cheese and prepare our own garden fresh chive cream cheese to spread on an assortment of bagels. Sliced tomatoes, cucumbers and onions are served on the side on attractively garnished platters.

Sizzling Omelet Station

Bounties of the season's freshest vegetables are prominently displayed creating a remarkable palate of color. Our chef will sauté your selections, fold them into fluffy eggs and finish your omelet with melted cheese.

Pancake Station

We use house made buttermilk pancake batter cooked to a fluffy finish and topped with farm fresh butter. Offered with chocolate chips, pecans, or fresh berries baked in the batter or served on top.
